Heating & Cooling Systems (All Units must be ENERGY STAR Certified)

Model _____ Serial # _____ AHRI# _____

Central Air (Condenser & Coil must be NEW)

	New Home (<5 Yrs Old)	Existing Home
_____ \geq SEER 15.0 & EER \geq 12.5	\$100.00	\$200.00
_____ \geq SEER 16.0 & EER \geq 13	\$150.00	\$300.00
_____ \geq SEER 18.0 & EER \geq 14	\$300.00	\$600.00

Air Source Heat Pump (Condenser & Coil must be NEW)

	New Home (<5 Yrs Old)	Existing Home
_____ SEER 15, EER 12.5, HSPF 8.5	\$200.00	\$400.00
_____ SEER 16, EER 13, HSPF 9.0	\$300.00	\$600.00
_____ SEER 18, EER 13, HSPF 10	\$450.00	\$900.00

Ductless Mini Split System Must be inverter-based unit. Rebate paid on each outdoor compressor unit

Cooling Only Systems NOT eligible. NEW HOMES (<5 Yrs Old) NOT ELIGIBLE

_____ Whole House Mini Splits (Must replace electric resistance heating for entire home) SEER 15.0, EER 12, HSFP 8.5	\$300.00	
_____ Supplemental Mini Splits (Must replace electric resistance heating & be add-on for individual existing rooms) SEER 15.0, EER 12, HSFP 8.5	\$100.00	
_____ Supplemental Mini Splits NEW SPACES (Must be add-on for individual NEW rooms) SEER 15.0, EER 12, HSFP 8.5	\$100.00	

Geothermal Heat Pump (50% of rebate if replacing ONLY the equipment and not the loops)

_____ ENERGY STAR System	New Home: \$800.00	Existing Home: \$1500.00
_____ ENERGY STAR Variable Speed System	New Home: \$1000.00	Existing Home: \$2000.00

Water Heater (Must be ENERGY STAR Certified)

Electric Pump Water Heater	New Home (<5 Yrs Old)	Existing Home
_____ \leq 50 Gallons/ UEF \geq 2.0	\$150.00	\$300.00
_____ \geq 51 Gallons/ UEF \geq 2.3	\$200.00	\$400.00

Insulation (LMPC must supply primary heating source & you must contact our office prior to installation)

_____ Attic/Ceiling _____ In-Wall _____ Rim/Band Joist _____ Foundation

70% of Total Cost (contract labor + equipment + material)

Smart Thermostat (Limit 2 per household) (Must be ENERGY STAR Certified)

_____ New Home: 50% of Cost up to \$50.00 _____ Existing Home: 50% of cost up to \$100.00

Lighting

_____ LED Fixtures (50% of cost up to \$100 per fixture) _____ Number of Fixtures
 _____ LED Bulbs (50% of cost up to \$20 per bulb) _____ Number of Bulbs
